## **NSDA Awards' Descriptions & Nomination Form**

### **Dr. Philip S. Christie Award for Distinguished Service**

Awarded to a dentist to recognize outstanding service to the profession of dentistry, either for a single outstanding contribution or for sustained service of not less than 15 years.

### **T.D. Ingham Volunteer Award**

Recognizing exemplary service in the line of internal volunteerism on NSDA committees. While the efforts of the recipient or group may be a one-time or sustained effort, volunteering must have occurred, or continued into, the year of the awarding.

### **NSDA Community Service Award**

The Community Service Award is presented to a dentist for non-dental-related community service. The community service may be for one outstanding event or activity or for service over a period of time. This award is not necessarily granted each year; reserving it for outstanding acts of service.

### **NSDA Award of Excellence**

Recognizing exemplary, long-standing (minimum of 10 years) service to "organized dentistry" either provincially or nationally.

### **Don Pamenter Friend of Dentistry Award**

Awarded to an individual non-dentist to recognize outstanding service to the profession of dentistry, either for a single outstanding contribution or for sustained service of not less than 15 years.
