Message from the Executive Director of the NLDA

Newfoundland & Labrador Dental Association (NLDA) is very excited to be hosting the National Convention again in 2025. This will be our fourth time hosting this convention and we want to give everyone a glimpse of what to expect.

Our CE committee is bringing over 28 CE courses from world class speakers. We will have over 130 exhibits for you to visit and see new cutting edge dental technology. Back in 2015 we had 1,700 people attend the convention and next year we are looking to see over 2,500 attend. This is a great time to catch up with old classmates, colleagues, and friends while also getting your CE and enjoying social events in the evening.

There will be wellness activities during the three days, to offer you a little break of the mind and body. The first night we will have an opening reception for everyone to attend. This will be in the exhibit hall, so a great time to have a drink and walk around to view the exhibits. The same night we will head to George Street for The Pub Crawl. This was a hit in 2015 and many have told me they look forward to it again. There will be a black tie dinner Friday evening followed by a local theatre group, who will put off a Newfoundland Showcase of songs, comedy, and stories. We will end the convention with The Alan Doyle Band. He will for sure get you all up dancing for the night! Registration for the exhibitors will open October 2024, and registration for attendants will open February 2025.

We look forward in seeing everyone next August 27-30, 2025.
You'll come for the CE but you'll stay for the party!!

Sincerely,
Lesley Patey
